Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Saturday 14 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain and drizzle for many tonight, driest in the south.

This Evening and Tonight:
Light rain continuing to fall across central and northern areas through the night, though southernmost areas will see largely dry conditions. Remaining cloudy for most, with any clear spells limited to the south of the region. Another muggy night. Minimum temperature 13 deg C (55 deg F).

Sunday:
Any lingering rain from overnight becoming confined to northern parts, with some scattered showers developing elsewhere. Remaining generally cloudy, with occasional sunny spells in the south. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Largely dry with some showers and sunny spells on Monday and Wednesday. Rain overnight into Tuesday, persisting through the day, with a few sunny spells later.
